

PALODIA, LIMASSOL

Sapphire Garden

UNDER CONSTRUCTION

THE PROJECT

Sapphire Garden is a gated development of townhouses in Palodia, Limassol, close to private schools including Heritage, Island School and Pascal. Each townhouse has a rooftop garden and fitted jacuzzi, with one unit also including a private swimming pool. The project is under construction, developed in partnership with 4 Real Estate.

DESIGN & CRAFTSMANSHIP

Developed in partnership with 4 Real Estate, built around a single idea: every townhouse gets its own rooftop retreat, not just a shared garden below.
